

Dear Parents,

Welcome to the St. Francis Xavier family. We are looking forward to spending a wonderful year with your child here in Pre-K. Our goal is to help your child become a well- rounded student and prepare them for Kindergarten. To help prepare your child for Pre-K we have a few suggestions. Take a few minutes every night to work with them. This will get them into school mode. Work on writing their name, recognizing letters and numbers, saying letter sounds and counting. You can use flash cards, leap frog games, workbooks, etc. I also recommend reading with them every night.

Here is a website where you can print a name tracer sheet for your child:
